Pattern Notes

Shawl is worked from the back neck down to the edging.

Beginning chain 3 does not count as a stitch throughout.

Change colors at the end of every odd numbered row by starting the last hdc, then changing to the new color before you draw through the last 3 loops on the hook.

Do not fasten off when changing colors. Instead carry the working yarn up the side of the shawl. **Optional:** Crochet over the tail of the old color for the first two stitches in the new color to lock in the yarn for the old color.

Special Stitches

Foundation Double Crochet (fdc)

First stitch: ch 3, yarn over, insert hook into 3rd ch from hook, yarn over and pull up a loop, yarn over and draw through 1 loop on hook (this forms a chain, optional note: placing a stitch marker can help see the chain in the next stitch), [yarn over and draw through 2 loops on hook] twice (this forms the double crochet)

Next stitch: yarn over, insert hook into bottom of previous stitch (in the "chain" space), yarn over and pull up a loop, yarn over and draw through 1 loop on hook (forming a chain), [yarn over and draw through 2 loops on hook] twice (forming the next double crochet)
