FINISHING

Pin blocks to finished size, spray with water or steam to block.

SEAMING

Using the blanket layout as a guide, arrange blocks as shown. Seam blocks together by working a sl st through the back loop of each motif. Hold one motif on top of the other. Join color **A** to the back loop of the first st on each motif working through both adjoining motifs at the same time. Holding your working yarn to the back, insert your hook from the front to the back and sl st in each st through the back loop. Do not fasten off until you have joined all pairs together in column. Repeat on the blocks. When working the perpendicular seam (in the rows), repeat directions until at the previous seam, sl st over the seam and continue joining blocks. See video tutorial for more tips.

EDGING

Join color **A** to any hdc in the third loop of the center of one block along the edge of the blanket with a sl st.

Round 1: Ch 1, *hdc in the third loop of each st to the ch-sp before the seam**,hdc in the center of the seam; repeat from * across ending at ** in the corner ch-1 sp, (dc, ch 1, dc) in the corner ch-1 sp. Repeat around all sides of the blanket, join to the first hdc, change color to **E**, do not turn, do not fasten off color A.

Round 2: Ch 2 (*does not count as a st*), *dc in the third loop of each hdc to ch-1 sp, (dc, ch 1, dc) in next ch-1 sp: repeat from * around, dc in the third loop of each hdc to beginning, join to first st.

Round 3: Ch 2, *dc in each dc to ch-1 sp, (tr, ch 1, tr) in ch-1 sp; repeat from * around, dc in each dc to beginning, join to first st.

Repeat Round 3 until edging is 3" total. Fasten off and weave in ends,
